Expectations during annual recital performances

All dancers please **Eat Before** coming to rehearsal and performances

1. Parents please try to be on time for drop offs and pick ups – Know where rehearsals are being held either at the studio or Ross Ragland Theater. I try real hard to finish on time but sometimes we may need to run a little bit longer please be patient.
2. Dancers no food or drinks in the theater – only a water bottle with your name on it!
3. Parents when dropping off dancers please only one parent to be sure child is checked in and in a safe place. There will be sign in / sign out sheets during performances and rehearsals
4. Dancers please be respectful and use your good ears at all times (Bring a book to read)
5. Girl dancers please no underwear with costumes
6. Make up – a little darker than street we will be on a real stage with lots of bright lights a good base is important and color on the eyes, cheeks, and lips
7. I will need several parents back stage to help with noise control and costume changes if you are interested please touch base with me as soon as possible. We need enough so that no one has to miss seeing their child perform.
8. No Gum
9. Hair needs to in a tight bun, on the back of the center back of the head, if hair is too short all hair close to the face needs to be pulled back securely no head bands, scrunchies, or hair pretties. Gel works wonders on wet hair!
10. No Jewelry
11. All headpieces stay with the studio until last performance
12. No parents or observers during rehearsals at the studio or Ross Ragland unless prior arrangements have been made.
13. Please have dancers name on all shoes on the inside of shoes
14. Having only 1 show I suggest to pre purchase tickets as soon as possible at the Ross Ragland.
- 15 Parents please take any street shoes, jackets, clothes with you, we do not have room to keep extra items backstage.
