Studio update....

The studio will remain closed for the month of January due to the Extreme risk of the virus. I did receive a grant from the county to help cover costs due to shut down, so there will not be any invoices created for the month. The grant money will only last for a limited time then I will have to make a really hard decision.

I have already received a few phone calls asking to be taken off our enrollment due to financial circumstances which is totally understandable. I will be watching the local guidelines closely so when the risk is lowered to High we can continue classes. I hope this happens sooner rather than later.

The business responsibilities are being kept to a minimum to make all grant monies received last as long as possible, any family loyalty payments made will be used to help the studio to be here when it is safe again.

Please, everyone help our community to slow the virus down by wearing a mask in public and wash hands often. I am looking forward to seeing my studio family again soon.

Rachel

Any payments can be sent to PO Box 963 KFO 97601, phone payments can be made but must schedule a time so I am at the studio.
